

Amendments to the Specification:

Please replace the paragraph beginning at page 3, line 27, with the following amended paragraph:

The system can use the recipient information from the Information Distribution System of U.S. Patent Application number [[_____]] 09/853,537 filed concurrently herewith and can be used with the Information Autocompletion System of U.S. Patent Application number [[_____]] 09/853,539 filed concurrently herewith. The disclosures of the above-mentioned two applications ([[_____]] and [[_____]] Application Serial Nos. 09/853,537 and 09/853,539) are hereby incorporated by reference.
